Familiar with : **RESTful APIs, Data Structures and Algorithms, LeetCode**

## EXPERIENCE

### Front-end Developer (React)

July 2024 – Present

@Emergio Games, Cheryl Hill Park, Vallathol Padi, Kakkanad, Kochi PIN: 682021

- Successfully met client project deadlines while independently managing all development tasks.
- Successfully integrated complex technologies such as **React Ruffle** and **Three.js** as part of game development.
- Delivered the **Investryx** project ([www.investryx.com](http://www.investryx.com)), building the frontend from scratch using React and Tailwind CSS.
- Deployed the project with **CI/CD** pipelines in collaboration with a server engineer.
- Recruited and mentored three junior developers, providing guidance and oversight.

### MERN Stack Developer (Internship)

July 2023 – July 2024

@ Brototype, Kochi

- Reinforced my foundation in JavaScript, MERN technologies, etc. by dedicated self-learning.
- Have built two main project and several mini projects using **Node.js, React.js** which are feature rich with third-party Api's

## PROJECTS

EdX E-Learning Application| [Visit repository](#)

JavaScript, MongoDB, Express.js, Node.js

- An e-learning website.
- **MVC** architecture has been followed.
- **JWT** authentication.
- **Razorpay** for payment integration.
- **Cloudinary** for media storage.
- **EJS** as view engine.

NETNEST Social media| [netnest frontend](#) | [netnest backend](#)

React, Javascript, Typescript, Node, Express, mongoDB

- **Social media** meet new peoples, add and chat with friends in live with integrated live notifications using Web-Socket
- **Live Chat using Web Socket** with added provision for **Live Video Calling** using **ZegoCloud Api** .
- **Admin Side** integrated for handling users and posts with repor and block feature. Refresh token integrated for robust security with backend and frontend hosted on **AWS EC2 instance** with **ubuntu server** . **Certbot** for **SSL Certificaion** used
- **Tailwind** used for frontend with **Fully Responsive design** with help from thirdparty components like **Shard CN** and **MUI**

## EDUCATION

B.Tech – Mechanical Engineering (2011 – 2015)

CGPA : 6.34
